PO Box 54, Budapest, Hungary, H-1441 www.reanal.com
Tel: +36 (1) 467 7519 Fax: +36 (1) 252-1483 E-mail: QA@reanal.huVersion No: **05**Date of issue: **08.04.2010**Date of printing: **08.04.2010**

1. Identification of the substance and the company

Product name: **N- α -Fmoc-L-phenylalanine**

Fmoc-Phe-OH

Synonyms: **N-alpha-FMOC-L-phenylalanine**CAS-No: **35661-40-6**EU-No: **252-661-1**REANAL Product Number: **22640**Company identification: **Reanal Finechemical Co.**

Address: HUNGARY, H-1147 Budapest, Telepes u. 53.

Tel.: (36-1) 467-7500

Fax.: (36-1) 252-1339

E-mail: QA@reanal.hu

3. Hazard statements

Hazard symbols and-signs:

Substance non classified as hazardous according to Directive 67/548/EEC.

2. Composition / Information on ingredients

Molecular formula: **C₂₄H₂₁NO₄**

CAS No.: 35661-40-6

Relative molecular weight: **387.45**

EU No.: 252-661-1

Reanal Private Ltd.

PO Box 54, Budapest, Hungary, H-1441 www.reanal.com

4. First aid measures

General:

Remove exposed person from the contaminated area immediately, if necessary make lay him/her comfortable and loosen tight clothing. Remove contaminated clothing and shoes immediately. Wash contaminated clothing before reuse.

After inhalation:

Remove to fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen.

After swallowing:

If swallowed, wash out mouth with water provided person is conscious.

After skin contact:

In case of skin contact, flush with copious amount of water for at least 15 minutes.

After eye contact:

In case of contact immediately flush eyes with copious amounts of water for at least 15 minutes. Assure adequate flushing by separating the eyelids with fingers.

5. Fire fighting measures

Noncombustible. Use extinguishing media appropriate to surrounding fire conditions. Emits toxic fumes under fire conditions. Use water spray to cool containers under fire conditions.

6. Accidental release measures

Close contaminated area. Do not allow contamination to get to drain. Wear self-contaminated breathing apparatus, rubber boots and heavy rubber gloves according to degree of contamination. Sweep up, place in container and hold for waste disposal. Ventilate area and wash spill site after material pickup is complete.

7. Handling and storage

Keep containers out of use closed. Store in labelled container, in a cool, dry place.

Storage temperature: 15-25 °C

8. Exposure controls / Personal protection

Exposure controls:

Protective clothing should be selected specifically for the working place, depending on concentrations and quantity of the hazards. Avoid contact with eyes, skin and clothing. Do not breathe dust. When working do not eat or smoke. Take care of bathing facilities with warm water after work. Safety shower and eye bath are required. Mechanical exhaust required. Wash thoroughly after handling.

Personal protective equipment:

Protective clothing.

Eye protect:

Chemical safety goggles.

Hand protect:

Chemical-resistant rubber gloves.

Respiration protection:

Respirator.

Specific control parameters

MAK (mg/m³):

Reanal Private Ltd.

PO Box 54, Budapest, Hungary, H-1441 www.reanal.com
Tel: +36 (1) 467 7519 Fax: +36 (1) 252-1483 E-mail: QA@reanal.hu

9. Physical and chemical properties

Appearance: **white to off-white powder**
Melting point [°C]: **180-190**

10. Stability and reactivity

Incompatibilities:

Strong oxidizing agents.

Decomposition products:

Carbon monoxide, Carbon dioxide, Nitrogen oxides.

11. Toxicological information

Acute toxicity:

The powder of the material, especially in high concentration or to sensitive persons, may cause slight skin and/or eye irritation.

12. Ecological information

WGK (German Water Hazard Classification): **0**

13. Disposal information

Chemicals must be disposed of in compliance with the respective national regulations.

14. Transport information

Not subject to transport regulations.

15. Regulatory information

Safety phrases:

22 Do not breathe dust.

24/25 Avoid contact with skin and eyes.

Labelling according to EC Directives.

16. Other information

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Reanal shall not be held liable for any damage resulting from handling or from contact.
